### EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Applicant's attorney, **Mr. Christopher C. Dunham** on 5 January 2005.

The application has been amended as follows:

In the Claims:

Claim 38, line 3, delete---**first**---, insert---**second**---

2. The following is an examiner's statement of reasons for allowance: After a review of the prior art of record, it is believed that the present invention is novel and non-obvious wherein no reference disclose a metal pipe having a first flat surface including first and second edge portion which are parallel to and abutted to each other, a second flat surface perpendicular at a first corner to said first flat surface, a third flat surface perpendicular at a second corner to said second flat surface and opposite to said first flat surface and a fourth flat surface perpendicular at a third

corner to said third flat surface and at a fourth corner to said first flat surface and opposite to said second flat surface, wherein a portion for generation of spring back force for abutting said first and second edge portions is formed on each of said second, third and fourth flat surfaces, as recited in claim 35. Additionally, no reference disclose the metal pipe having the recited structure wherein a portion for generation of spring back force for abutting first and second edge portions is formed on each of the second and fourth flat surfaces, with the portions for generation of spring back force generated by convex portions formed on second and fourth flat surfaces or by line convex portions formed on the second and fourth flat surfaces, as recited in claims 41 and 42.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to **Patrick F. Brinson** whose telephone number is (571) 272-4897. The examiner can normally be reached on M-F 7:30-3:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, **Michael Y. Mar** can be reached on (571) 272-4906. The fax phone

number for the organization where this application or proceeding is assigned is 703-872-9306.
